

## **Scholarship for Chinese PhD students – CSC**

The Chinese government and the Technion have signed an agreement granting scholarships for PhD students.

Chinese citizens who are applying for a PhD degree at the Technion, are encouraged to submit an application to this scholarship. The Chinese Government will grant a scholarships for 10 PhD students every year.

**Application for should be submitted In CHINA by March, for the next academic year.**

In order to be considered for the CSC Scholarship, **application forms** should be submitted to the Technion by **January 1<sup>st</sup>** of the proceeding academic year, since application to the CSC scholarship should be submitted only after being admitted to the Technion and no later than **March 20<sup>th</sup>** of the proceeding academic year. We recommend that interested applicants contact CSC directly, as the terms and conditions for each program may differ.

[Instructions for application to the CSC Scholarship](#)

Scholarships at the Technion are given in monthly portions, each portion is approx. \$300. Normally, PhD students at the Technion receive 5 portions. Chinese Students will receive 3 monthly scholarship portions from their academic unit. If they will be awarded the CSC scholarship, they will be awarded additional funds if so recommended by and paid by CSC (these funds are to be paid directly from the Chinese Government to the student).

Chinese students who will not receive the CSC funding, will receive from the Technion 2 additional monthly scholarship. Thus in total they will receive 5 monthly scholarship portions.

**Please note: Students awarded the CSC Scholarship, will not be eligible to apply for other scholarships and/ or awards during their studies within the Technion.**

Students applying for the CSC scholarship, are requested to notify Ms. Gabriela Laufmann, International Students advisor, by email to:
