

Request to study a course at another university

Fees for universities in Israel (no colleges):

For Master Students: There's a 5% (of annual tuition) fee for each credit.

For PhD: Up to 4 credits – there is no fee.

Fees for universities abroad, per their specifications:

Please note: Credits may be recognized **up to 25%** of the required credits for the degree.

Criteria for request:

1. The course is relevant for the research topic and **is not offered at the Technion.**
2. Please attach a **detailed syllabus** which includes:
University name in which the course is offered, **level of course** to which degree it is intended, **hours of study in which the course is offered and grading scale.**
3. **For a course offered by a university abroad:** it is **mandatory** to translate the course name to Hebrew.
